(16 to 18year old need parental consent form)

Not Quite the Hell of the North the Scotton is a 100K challenge ride with a difference. Approximately one third of the route is on non tarmac bridleways, farm roads and `whites` (we don't seem to have cobbles round Knaresborough) all able to be ridden on both road and mountain bike. A reasonable level of fitness is required (times last year on a good day 3hrs 10 min to 6hrs 19min). There is a 50K route option for the less adventurous and both start and finish at Staveley village hall, a few miles north of Knaresborough.

Entry is £14.00 including food at the finish.

Entries to Dave I'Anson at
