SUMMARY

We come to the end of another successful league and congratulations are due to John Colman on winning the first claim competition with a maximum 280 points. The second claim competition was won by Doug Hart only four points down after a very close battle with Matt Lunn and John Woods.

Club support has been somewhat mixed with Seacroft Wheelers and Yorkshire RC providing the bulk of the riders, Seacroft's score being 119 of which 42 have been second claim. Yorkshire RC had 82 of which 7 have been second claim. I suppose the other three clubs had good reasons for their comparatively low turn-outs but it is hoped they will be in a position to provide more support in future years. Bob Jackson had 50 all told, 16 of which were second claim. Wetherby Wheelers had 38 of which 14 were second claim and Leeds Westfield had 35 riders in total of which 11 were second claim. Seventy two different riders took part in the competition, and on a positive note the marshalling has been excellent from all five clubs.

Nick Barnes won the youth award, Stan Mills was best Vet on Standard with a massive plus and some excellent times. John Colman was fastest actual vet but I understand the competition is based on one rider one prize. Janet Tate was the highest scoring lady and Richard Purchon rode all the available events and marshalled the other three to take Best Support award.

Very few veterans managed to ride enough events to qualify. Only those with seven or more rides can qualify and several top names failed to manage this.

Grateful thanks are extended to CYCLESense of Tadcaster for their generous support. Please see THEIR website ONLY for weekly results.
