SUMMARY

The 2010 Cyclesense League draws to a close with a well deserved win for Matt Haigh of Leeds Westfield, scoring of 270 points. Matt Lunn once again wins the second claimers competition with an excellent 275.

Janet Tate, Leeds Westfield was once again highest placed woman with 140, an increase on last year's total. Nick Barnes was highest placed youth with 134 points, a smaller total due to not riding many events. Seb Marsh changed clubs part way through the season preventing him from taking first place.

Top Vet on Standard was Mike Shacklock, now in Yorkshire RC and able to join the competition for the first time with a massive plus of 6.59 for age 66 which will be a record. Twelve riders qualified for this award having ridden seven or more events, the same number as last year but with much improved performances. Following Mike we have Stan Mills, +6.02 (66/67), Kevin Warr, +5.12 (57), Bob Tate, +4.29 (67), Peter Dickinson, +4.09 (62), Steve Smith +2.48 (44), John Woods +2.07 (41), Howard Blakeley +1.59 (61), Janet Tate +55 (over 21!) Kevin Spink, +40, (44), Andrew Lee minus 30 (40) and Garry Marsh minus 2.51.

This year's competition was well supported with 73 different riders taking part as against 75 last year; 55 were first claimers and 18 second claim, so the balance stays pretty much the same. Mike Shacklock and Antony Brumby both rode the maximum of 12 events, well done to them, and also everyone for their support, not as many rides as last year, 340 as against 409 but still slightly better than 2008 which had 325.

The final tally is: Seacroft 144. Yorkshire RC 71. Yorkshire Velo 52. Leeds Westfield 50 and Wetherby Whs 23.

League fastest times were: V910A, Selby Fork 10, Matt Lunn 22.39 2010. V318, 10, Sherburn Ian Cooke 21.23, 2009. V518, Selby bypass, Vince Macklam, 21.21, 2007. Cawood, Ian Cooke, 26.28, 2010. V328, 15, Sherburn, Ian Cooke, 32.15, 2010, V134, 25.A168 Doug Hart, 56.39, 2010.
