

6th Scotton 100

Sunday 9th April 2006 10. AM.

Entries close Monday 3rd April

Not quite the hell of the north the Scotton is a 100K challenge ride with a difference. Approximately one third of the route is non tarmac bridalways, farm roads and `whites` (we don't seem to have cobbles round Knaresborough) all able to be ridden on both road or mountain bike. A reasonable level of fitness is required, times last year 3hrs 20 mins to 6hrs 9mins. There is a 50kK option for the less adventurous. Both start and finish at Staveley village hall a few miles north of Knaresborough

Entry is £8.00 (£7.00 TLI members) including food at the finish, certificate and Scotton mug.
